

# About The Fishery

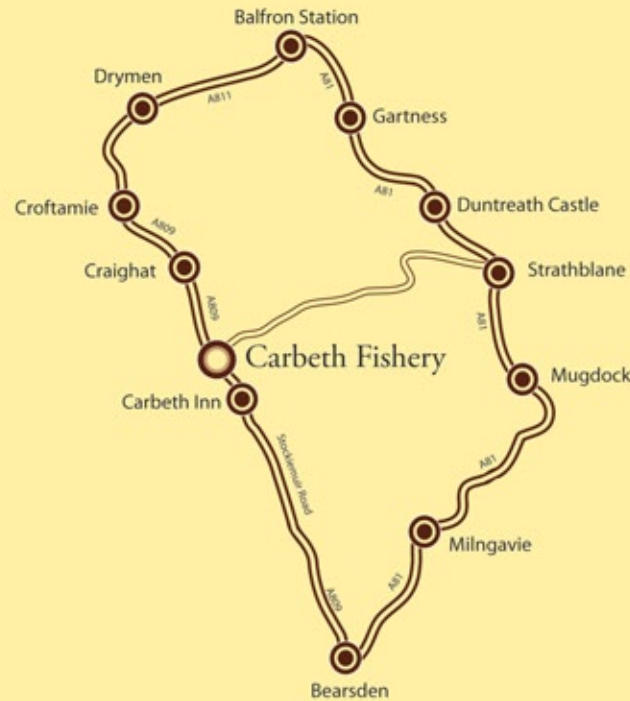

Carbeth Fishery was established in 1997 and is situated in the beautiful countryside a few miles from Loch Lomond.

Over the past 11 years three different ponds have been developed. There is a bait pond, a fly pond and a top pond which is ideal for tuition and first timers learning to fish.

All 3 ponds are stocked on a daily basis with Rainbow Trout, Blue Trout, Tiger Trout, Golden Trout and when in season Brown Trout.

The Fishery can cater for club outings, school trips, youth groups and corporate days with advanced booking.

# The Fishery Shop

Carbeth Fishery has its own shop that sells a small range of tackle and fishing equipment. Fishing rods and nets can be hired from the shop during your visit. Snacks and refreshments are also available.

Our friendly staff and management are at hand to help and are always willing to offer advice to improve your fishing technique.

Private tuition is available and first time fishing lessons can be booked in advance throughout the entire year.
